Assembly instruction

redwheelmodels.com

RED WHEEL

Colors

A - body color
B - semi-gloss black
C - chrome
D - grey
E - aluminium
F - steel
G - beige
H - interior color 1
I - interior color 2
J - carpet color
K - white
L - clear red
M - gold

Tips

- **The colors in the instruction are for example. For correct painting, use pictures of an original car**
- **Cut 3D printed parts with a sharp blade**
- **Do a dry-fit before painting**
- **Wash resin parts with soapy water before painting**
- **Use any type of CA glue**

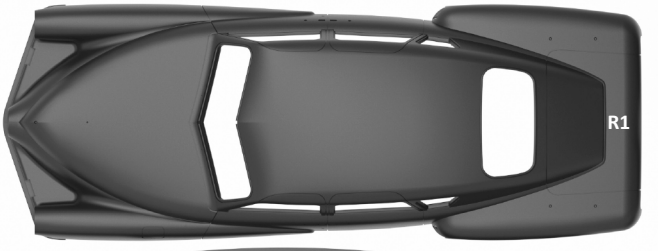

Original Tucker paint color
